FREE delicious catered breakfast

at Mighty Auto Pro

Saturday, October 6th from 10AM- Noon

Back by popular demand, Mighty Auto Pro is hosting it's 10th annual event, Women, Wheels & Waffles right here at Mighty Auto Pro!

What is Women, Wheels & Waffles?

It is a comfortable, delicious venue in which to learn about your car. Enjoy a fabulous brunch featuring a waffle station with delectable toppings and many other delicious breakfast treats! Wander about the "Education Stations" while enjoying a sparkling mimosa, glass of juice or a "Wake Me Up" coffee!

Can I bring somebody with me?

You bet! Come one, come all! Moms' this is an excellent opportunity to bring your daughters (especially new drivers). Heck, bring your Mom along too, your girlfriends, co-workers or neighbors! Only one rule, no men!

Can I leave early or come late?

Absolutely! Stay as little or as long as you would like. This is a wandering event with an open format, just like an open house that suits your schedule!

What exactly is an "Education Station"?

Throughout Mighty Auto Pro there will be four "Education Stations":

- Station #1-Computers and Your Car**
- Station #2-Checking Your Fluid Levels**
- Station #3-Changing a Tire**
- Station #4-Ask the Technician**

Each station will have an ongoing demonstration presented by an ASE Master Certified Technician. You can hop from station to station. Come prepared with any questions you may have about your car as the stations will all be very conversational.

Prizes, did I hear prizes?

You sure did, we have lots of fabulous prizes, including a \$100 VISA card! You get entered just for showing up. And the winner need not be present to win!

Do I need to sign up?

Yes, sign up for this free event on our website at www.mightyautopro.com or call us at 330.723.6692. **Don't Delay spaces are limited!**
